Re: 1987 Cable Distribution Proceeding (Phase II)

Dear Chairman Argetsinger:

At the Tribunal's request, Broadcast Music, Inc. ("BMI") hereby submits in the captioned-proceeding a computer printout indicating the results of BMI's title-by-title analysis of the 142 albums certified as "Gold Albums" in 1987 by the Recording Industry Association of America. In our review we identified a total of 1,510 individual song titles. BMI's records indicate that in 1987 BMI licensed 659.39 of these songs (taking into account partial interests in certain songs). ASCAP licensed 845.11 songs, and SESAC licensed 5.50 songs.

These figures result in a percentage of 43.67% for BMI, 55.97% for ASCAP and the remaining 0.36% for SESAC. If the Tribunal desires further information concerning these albums, please contact the undersigned.

Respectfully submitted,

Charles T. Duncan  
Counsel for  
Broadcast Music, Inc.
